54.313(f)(1)(i) "Milestone Certification"**

Dear Ms Dortch:

In compliance with the filing requirements associated with, and attached to Form 481, we wish to advise the Commission that Oregon Telephone Corporation provides High Speed Internet service to its customers and:

- Has taken reasonable steps to provide upon reasonable request broadband service at actual speeds of 10 Mbps downstream/1 Mbps upstream;
- Provides latency suitable for real-time applications including VoIP and usage capacity which is reasonably comparable to those in urban areas and;
- That reasonable requests for service are met within a reasonable timeframe.

If there are questions, I may be contacted at 541-932-4411.

Sincerely,

Delinda Kluser
Vice-Pres, Manager
